Certified Public Accountants

Carolyn E. Falcone

Carolyn joined our firm as seasonal associate, 21 years ago. She has a background in accounting and administrative services. Prior to joining Falcone, Listwan & O'Neil, P.C. she was a controller at a mid-size law firm. There she became very detail oriented as a result of having to track cost by client. Currently her talents are being used as a seasonal associate preparing individual tax returns and providing client cash disbursement services.
